## Social Media Report

This report has been prepared for lawful purposes solely for the end-user and individual identified above. It may contain certain social media entries, internet content, and news stories related to the individual. The report may be used by the end-user strictly in compliance with applicable federal, state/provincial, and local laws.

### California Notice

This report does not guarantee the accuracy or truthfulness of the information as to the subject of the investigation, but only that it is accurately copied from public records. Information generated as a result of identity theft, including evidence of criminal activity, may be inaccurately associated with the consumer who is the subject of this report. Consumer Reporting Agency (CRA) shall provide a consumer seeking to obtain a copy of a report or making a request to review a file, a written notice in simple, plain English and Spanish setting forth the terms and conditions of his or her right to receive all disclosures, as provided in Cal. Civ. Code § 1786.26.

# Julia Smith

## Social Media Overview

### Abstract

#### Social Media Presence

Julia Smith has an above average social media footprint. Julia posts infrequently and the latest post was on Feb 11, 2025 on Twitter. Julia has a below average number of followers on social media.

#### Content Analysis

Julia talks mostly about *petsmart* and speaks about this in a positive manner. Julia's sentiment has been trending up over the past 2 years.

#### Digital Footprint

Julia Smith has an above average number of flagged posts and the scan of the web has found 4 articles pertaining to Julia.

### Flagged Post Summary AI\*

Julia's posts reveal a range of intense emotions and candid thoughts. She expresses frustration and anger, often using strong language and metaphorical statements, such as comparing abortion to murder and contemplating violent scenarios. She also shares personal milestones, notably celebrating her progress after a difficult suicide attempt a year ago, emphasizing resilience and mental health awareness. Julia humorously comments on her desire for companionship and enjoying simple pleasures like watching Family Guy and relaxing on the couch. She displays a rebellious side, mentioning shooting guns and experimenting with substances, while also criticizing workplace frustrations and government leadership, suggesting she believes she could do a better job running the country. Overall, her tone oscillates between raw honesty, humor, and frustration, reflecting her complex emotional landscape.

Post Insights

## Behavior Composition

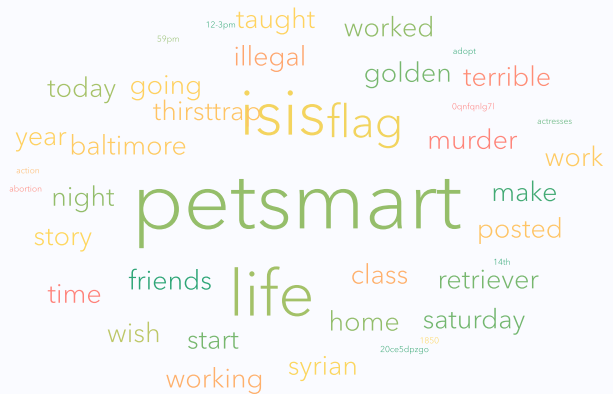

This graph indicates the number of posts that were flagged for each behavioral attribute.

25 Flagged Behaviors

## Word Cloud

This is your subject's word cloud. It provides insight into the topics your subject refers to most often in their posts. The larger the word, the higher the frequency. The color of the word indicates whether they are speaking positively (green) or negatively (red) about the topic.

## Posts and Followers

This graph shows the aggregate of all followers, followings, and post count across all social media platforms that expose these metrics. Note that not all platforms report these values.

1 Total followers

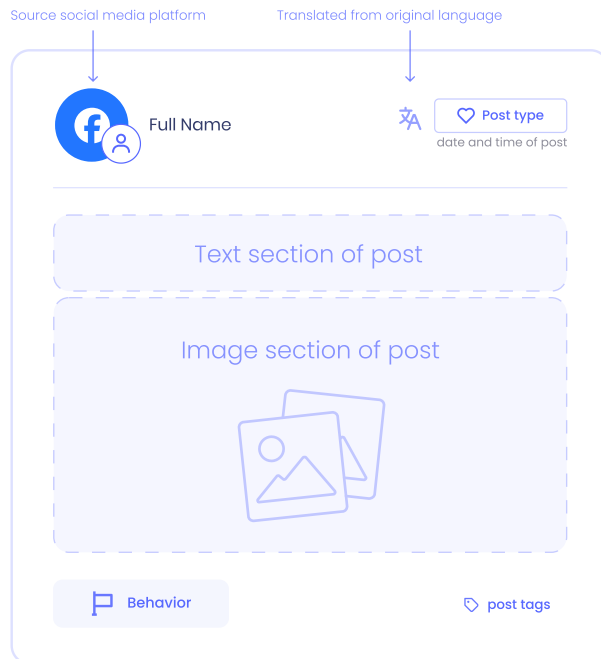

2 Total following

10 Total posts

# Post Pages Guide

The following pages in this report may contain a list of flagged posts for your subject. There will be a maximum of four (4) posts listed per page. Each post includes a portion of the text and also the image associated with the post if media were included. A flagged post means that the post content triggered one or more of the below behavioral attributes.

The figure below illustrates the general composition of each post and identifies the main elements.

## Behavior Classifications\*

The following are the possible behaviors surfaced from the social media check.

 <p><b>Disparaging</b> Name-calling, disrespectful, or derogatory statements toward an individual or group about their physical characteristics such as weight, height, looks, intelligence, etc.</p>	 <p><b>Self Harm</b> Indications of wanting to hurt oneself or take one's own life intentionally. This could also be mentions of suicide or suicidal behavior in others.</p>
 <p><b>Drug Image</b> Images of pills, syringes, paraphernalia. It may include smoking, drinking, and injections.</p>	 <p><b>Suggestive</b> Includes expressions relating to sexual misconduct that could be considered sexually demeaning or sexual harassment.</p>
 <p><b>Drug/Alcohol Mention</b> Statements relating to drugs and alcohol use including slang words, street names, and phrases.</p>	 <p><b>Gory/Violence Image</b> Images of disfigurements, open wounds, bloodshed, body parts, burns, crime scenes, corpses, vehicle crash scenes, explosions, and fighting</p>
 <p><b>Nudity Image</b> Images of explicit and non-explicit nudity, adult and pornographic content, partially exposed body parts.</p>	 <p><b>Weapons Image</b> Instruments or devices used to cause harm to living beings including firearms, sharp weapons, explosives and ammunition.</p>
 <p><b>Keywords</b> Flagged posts based on matches (text and images) to custom keywords provided. Keywords can be designated negative, positive, or neutral.</p>	 <p><b>Threats</b> An intent to inflict harm or loss of another person's life.</p>
 <p><b>Profanity</b> Obscene language, cursing, swearing, or in general crude or vulgar words and phrases.</p>	 <p><b>Prejudice</b> Derogatory, abusive, and/or threatening statements toward a specific group of people typically on the basis of race, religion, or sexual orientation.</p>
 <p><b>Politics/Government</b> Statements considered relating to politics or governmental affairs. This could include politicians, policies, or the political process. These often focus on specific issues such as abortion, environmental, immigration, etc.</p>	 <p><b>Rude Gestures/Symbols</b> Visual depiction of middle finger, nazi party symbols, and images containing extremist and terrorist group flags.</p>

\*The domain of behavioral classifications are determined by your organization settings. Therefore, some of the behaviors here may not be available.
